Under Mr. Teo’s chairmanship in 2018, SBF has worked closely with trade associations and chambers (TACs), including SICCI, on its digitalisation initiative to help businesses build strong digital capabilities and promote the adoption of digital technologies.

Mr. Teo, as Chairman of SBF, was instrumental in the success of these fruitful collaborations. SICCI expresses its sincere thanks and wishes him the very best in his future endeavours.

SICCI congratulates Mr. Lim Ming Yan as the newly elected Chairman of SBF who brings with him vast experience and knowledge in real estate and global markets. Under Mr. Lim’s chairmanship, SICCI will work together with SBF closely to continue assisting and uplifting the business community in Singapore.
